

*The Associated Radio Amateurs  
of Long Beach*

presents

**Amateur Radio  
Technician License Class**

Class meets every Saturday, 9:00 AM—Noon  
September 9—October 28, 2017.

License exam during last class meeting.

Class will meet at the  
The College Medical Center,  
2776 Pacific Ave., Long Beach.

- ☞ Do you want to obtain your FCC Amateur Radio license?
- ☞ This class will meet for three hours each week and requires additional study.
- ☞ No Morse Code required.
- ☞ Lots of time for questions and plenty of support from expert hams.

Talk across town or around the world!
