The first class will be on Saturday, September 9, 2017, and will meet each Saturday through October 21, 2017. The exam will be on location on October 28, 2015. Total commitment is 8 weeks.

If the student reads the assigned material, participates in class, and follows our instructions, we have found that most will pass the exam. We have a 90% pass rate so far. We have a proven track record for those who make a serious effort to prepare for their exam.

We also ask that you turn off your cell phones prior to entering the classroom, and come prepared to take notes. You may bring water to drink, but are otherwise requested to not bring in food or drinks, which can be distracting.
